# Product Guide:
# Conference and speakerphones

**KONFTEL EGO**
Personal Conferencing.
Anywhere.

A personal speakerphone. Small and portable, yet a clear center point in all small huddle rooms.

**KONFTEL 55**
Hub for smooth meetings

Stylish and easy-to-use speakerphone with impressive crystal-clear HD sound thanks to our patented OmniSound® audio technology.

**KONFTEL 55Wx**
All-in-one.
Your way.

A compact and highly competent speakerphone. Calls are easily controlled from the touchscreen, whether you are connected to a computer, desk phone or wirelessly to a mobile device.

**KONFTEL 250**
The nice thing about conference calls

An excellent choice when you want simple telephone meetings without compromising on sound quality. Suits everything from small meeting rooms to large conference rooms.

**KONFTEL 300Mx 4G**
Wherever.
In Any Way.

The world's only mobile conference phone. Insert the SIM card and start the meeting immediately, completely without cables and tangles.

**KONFTEL 300Wx**
Absolute freedom

With the Konftel 300Wx wireless conference phone, you can have meetings wherever you want, without thinking about network and electrical sockets. Select IP or analog DECT base.

**KONFTEL 300**
For all your meetings

Flexible, powerful conference phone. It supports scenarios from traditional telephony to PC-based collaboration, from personal meetings to large auditoriums.
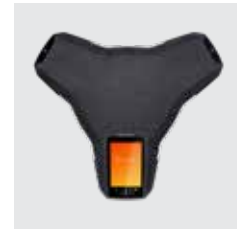

**KONFTEL 300IP**
IP conference phone.
For real.

Perfect in both cloud-based and traditional IP platforms. It has everything you need for high-quality, efficient conference calls.

**KONFTEL 300IPx**
The Art of Easiness

IP conference phone that suits everything from small meeting rooms to large auditoriums, conference calls or web meetings. Easy to use with the mobile app Konftel Unite.

**KONFTEL 800**
True Conference Delight

IP conference phone with new generation OmniSound® and intuitive interface. Can easily be daisy-chained with three devices. Suits everything from small to really large meeting rooms.
