

COMMBOX BRINGS YOU THE...

commBOX Combi

2 in 1 Stand for Education

One stand – mobile or wall mounted – you choose

CommBox is proud to introduce the CommBox Combi, the **world's first flexible motorised stand for Education**, designed specifically for the Department of Education RAG. The CommBox Combi gives schools the flexibility to assemble the stand on wheels for mobility or on the wall for fixed installations. **Both installation options are provided in the box**. Motorised stands are the best option for schools to allow the ultimate accessibility for teachers and students. The interactive touchscreen or display can be set at the right height for the teachers or the students.

KEY FEATURES:

- Strong, durable wheels that can travel over doorways and playgrounds
- Easily convert to wallmount now or later
- Mini PC mounting holes
- PDU Mountings
- Tidy cable management solution
- Laptop shelf
- Brackets for wall mounting
- Base with wheels for mobile stand assembly
- Wired remote

OPTION ONE

MOBILE MOTORISED STAND

Add the mobile base during assembly for mobile stand option

OPTION TWO

MOTORISED WALL MOUNT

Either do not add mobile base at time of install or remove base at a later date to then install on the wall (complete with motorised height adjustment)

commBOX Combi

Fully assembled in just 8 minutes!
