

# Meet Stem Speaker

Stem Speaker's innovative design gives you the option to mount the device on the ceiling, wall, or table for ultimate flexibility. With its powerful driver and built-in technology, Stem Speaker delivers an exceptional sound experience in any meeting room. As an ecosystem device you can mix and match devices until your room is customized to meet your needs.

## Features

- Power over Ethernet (PoE+) connectivity
- Three mounting options: wall mount, standing, or ceiling mount
- Controls on the device include: Volume Up & Down
- LED light ring
- Compatible with other ecosystem devices
- Dimensions: 9" X 4"

Mix and match all Stem devices for a customized audio solution.

Set up, control, and manage your ecosystems through your network.

Stem solutions are 100% compatible with your favorite conferencing platforms.
