CRESTRON CONNECTED

Crestron certified
The FIRST and ONLY interactive display certified for Crestron XiO Cloud and Crestron's 2nd Generation Crestron Connected

iQ Pro embedded Android experience
Designed exclusively for business, SMART's out-of-the-box iQ Pro Android experience makes collaboration easy and dynamic.

Collaboration and annotation software
SMART Meeting Pro collaboration software and dynamic SMART Ink annotation software included.

Two power-packed USB-C ports
Two 65 W USB-C ports that support video, touch, audio, and data with an included USB-C cable.

SMART's exclusive Simultaneous Tool Differentiation
Multiple users write, erase, and move objects at the same time without interfering with other users' tool choices.

Advanced inking and touch capabilities
Experience lag-free and uninterrupted writing precision with pressure-sensitive pens and palm rejection on optically bonded glass for a true pen-on-paper feel.

Video conferencing
Works with an array of popular video conferencing apps, including Microsoft Teams, Zoom, Google Meet, and Webex, to connect on-site and remote participants instantly.

Integrated RFID NFC reader with CCID support
Quickly log in with the tap of an RFID- or CCID-enabled card through the integrated NFC reader.

Sharper displays with a 4K UHD flush-mounted camera
Capture everything and focus on what's important with a wide 120° view that has group auto-framing and tracking functions.

Integrated sound bar
Get crystal-clear audio with the combined power of two 20 W speakers and a 15 W subwoofer.

Integrated mic array
Be heard from anywhere in the room with an integrated eight-microphone array.

Convenience USB-C ports
Two USB-C ports including one 15 W port for power delivery.

SMART
Podium
Interactive pen display

Empower business professionals, trainers, emergency workers, and military personnel to communicate more easily and effectively, in the workplace, in the field, or from home. The SMART Podium with a battery-free pen works with Windows or Mac OS computers to provide touch, gestures, and digital ink while video conferencing, or while projecting an image to a projector or display.

Plug and play
Enjoy SMART's best-in-class interaction on connected computers, including 10 points of precise interaction and fluid integration with native inking tools like Windows Ink.

SMART Ink
Experience digital ink, even in applications without ink tools, with included SMART Ink desk-top annotation software.

Project at any size
Project analogue or digital video to any size projector or display with HDCP-compliant video out for crisp and clear content in rooms of any size.

Palm rejection
Write, gesture, and navigate comfortably while resting your palm on the display.

Adjustable stand included
Use the podium for hours at any angle without finger burns on an anti-glare, ultra-smooth surface and a stand that's adjustable between 11° and 73°.

Cordless battery-free pen
Navigate and mark up content effortlessly using a battery-free cordless pen with pressure inking, a built-in eraser and customisable buttons.
