BIAMP MRB-M-SCX400-T

MEDIUM MEETING ROOM BUNDLE WITH DEVIO SCX 400 AND BLACK TABLE MICROPHONE

zoom Certified

Certified for
Microsoft Teams

This bundle provides a complete audio solution for meeting rooms of up to 6m x 6m in size, including everything required to outfit a conference room to enable clear communication in every meeting.

The package includes Biamp's Devio SCX 400 meeting room hub, incorporating processing and network connectivity into a single device. It also features Biamp Launch to ensure that room deployments are lightning fast and 100% consistent, making for a fully optimized collaboration experience every time. Parlé microphones keep table clutter to a minimum and blend into the room, while still providing crystal clear audio pickup and LED mute indication to room users. Desono C-IC6 loudspeakers deliver superior audio clarity.

FEATURES

- Zero programming, and automated tuning with Biamp Launch
- Custom AEC enhances remote participant experiences
- Clear audio when multiple parties are talking
- Noise Reduction minimizes problem sounds such as air conditioning
- Speakers tuned for voice reproduction in conference room applications
- Microphone mute buttons and LEDs sync with UC software
